

Rhodes & Alana Ritenour

AUTHORS

Introducing: *Bully Blues*

The Second Book in The Adventures of Rhodes and Alana Series!

Will a fun day at the ballpark be ruined by a bully? Or will Alana's friendship help Rhodes stand up for himself? Find out in this heartwarming story about friendship and life with type 1 diabetes.

Rhodes Ritenour was diagnosed with Type 1 Diabetes (T1D) at age 5, an autoimmune condition once known as juvenile diabetes. He and his wife, **Alana**, are co-founders of **TheDiabetesSupportGroup.org**, an online community that provides practical advice, resources, and encouragement to diabetics and those who support them.

Rhodes & Alana

Notable Reviews

"This story is a winner! It is relevant, timely, and relatable for so many children (and adults) who have faced bullying, food allergies, or a chronic condition like diabetes..."

- Dr. Bryce Nelson, Pediatric Endocrinologist
